New Advertisements.
 To the Public—Frank Thomas.
 No Harkins Block—Jesse R. Starnes.

Never Before
 Have we made a offer like this; it lasts only till October 15: Best triple plate knives, full size, \$1.75 per set; dessert size \$1.65 per set; a good white handle knife \$1.00 per set; fine celluloid knives, worth \$3 a set; a fine assortment of carving knives and forks in proportion. Also, spoons, forks, castors, and everything in plated ware, very cheap at Law's.

If a dollar or two, now and then, will help you in saving, what's the use of advertising when example does the talking. Come and see the reduction and manner of reducing. Low rates to all points.

When a willow girl admits that she is pining for a walk with a spruce young man the chances are that she would like to play the ivy to his oak.

Advice to Mothers.
 Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pains, cures wind colic, and with the best remedy for diarrhoea. 25c a bottle.

Not the Harkins Block.
 I notice that the Evening Journal has named my store the Harkins block. There is no such block. The Harkins and Starnes stores are jointly built, and each one has his own store. I have rented my store to Mr. F. E. Mitchell, of Louisville, Ky., formerly of St. Augustine, Florida, and he will open up the largest stock of goods furnishing goods soon in the city.

HEREAFTER

We will run two delivery wagons. The necessity for this has been caused by our largely increasing trade, making it impossible to deliver with one wagon. There have been complaints (and justly, too) by some of our customers at not having goods delivered more promptly. With our additional facilities for delivery we hope to increase our already large trade, and promise to meet all competition. Our stock, as heretofore, will be kept up to the highest standard in quality. All goods sold by us guaranteed to be as represented, both in weights and quality.

PROSPECTUS.

On or about the 15th of September we will

commence the publication of an eight-page

forty-two column weekly paper to be called

THE ASHEVILLE TOBACCO JOURNAL.

Devoted, as its name implies, to the tobacco

interests of the country and of this section in

particular. It will contain complete and re-

liable market reports, crop prospects and con-

ditions, all improvements in methods of cul-

tivation, handling, marketing and manufac-

turing; and also all items or news that in any

way affects this industry. It will from time

to time contain articles by experienced men

on subjects that cannot fail to interest or

instruct farmers, and especially tobacco plant-

ers.

The price of the paper will be in the reach

of all—one dollar per annum—and we trust

no planter will fail to subscribe.

Circulating as it will amongst the best class

of buyers, it will be a splendid advertising

medium. Merchants, manufacturers, and

others should note this and act accordingly.

Its advertising rates will be reasonable, and

quoted on application.
